Sir:

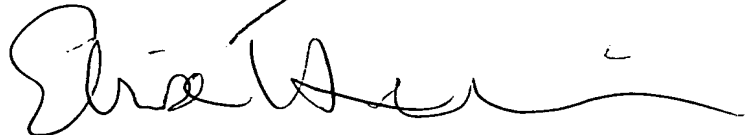

The owners, CNET Networks, Inc., of the entire interest in the above-identified application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 USC sections 154 to 156, and section 173 of any patent granted on Second Application No. 09/625,745, filed on July 26, 2000, as shortened by any terminal disclaimer filed prior to its grant. The owners hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that it and any patent granted on the Second Application are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owners do not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term as defined in 35 USC sections 154 to 156 and section 173 of any patent granted on the Second Application, as shortened by any terminal disclaimer filed prior to its grant, in the event that any such granted patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid by a court of competent jurisdiction; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321; has all claims canceled by a re-examination certificate; is reissued or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The undersigned is an agent or attorney of record.

Enclosed is our check in the amount of \$55.00 to cover the disclaimer fee. If the required fees are not enclosed or additional fees are required to facilitate the filing of this paper, please charge such fees or credit any overpayment to Deposit Account No. 50-0388, (Order No. GDT1P002).
